謝謝你開了一個有份量的網上宣教期刊,鼓勵我快點整理我手上的資料給你。或者 我該找一個義工,定期的替我做整理工作。希望盡上把一些可用的資料 email 給 你。

Dear WAN Sir,

I am most delighted to see the materialization of the Chinese missology website and May God bless your ministry.

In the article which I am honored to have the chance to share with others, there should be a 'second chart' which was initially there. May I enquire if it is removed/deleted by the editorial committee. If so, let it be. If it is just omitted, I believe it is a good chart (the idea is indeed from you !!!!) which deserves to be shared with others.

BTW, I remember you did ask me two years ago to consider putting one of my articles (with modification) in journal for publication. However, I reserved my consideration. When I see the new

website http://www.globalmissiology.net/chinese/f/, I believe it is a very good venue to post the article. If you think it is a good idea, I will modify the article during this summer to trim down, if possible, the length and to incorporate the development of our new Indonesian ministry in the Fairview Park Alliance Church so that it serves as a reference or model for other churches locally in HK. My previous article is also attached for your easy reference. I am happy to
