Every once in a while someone is able to cut through the academic frills and fluff to put their finger on an important missiological key with the potential to make a real difference for God's Kingdom. I believe this book holds such a key. I am excited to see it implemented in the field of Jewish missions and missions around the world.

The book is published by [William Carey Library](http://www.williamcareylibrary.com), Pasadena California USA and is also available through [Jews for Jesus](http://www.jewsforjesus.com) in San Francisco and at Purple Pomegranate Productions, 415-864-2092, [e-mail](mailto:purplepomegranate@purplepomegranate.com).
