## A conference designed to explore the Trinity and mission

*"A timely reminder of the importance of having an adequate theological basis for mission and a great opportunity to be updated on trends and developments in mission practice."*  
Uel Marrs, Presbyterian Church in Ireland

This Global Connections conference explored who God is - Father, Son and Holy Spirit - and how this understanding shapes what we do in mission. It aimed to go beyond defining terms and ask how our mission activity should change in the light of the God we serve.
